Project Title:

Project Leader Name(s):

Grant Cycle:

Grant Amount:

Email:

School:

Number of Students Involved in this Project:

Project Accomplishments: *List the original key steps as outlined in your grant proposal and describe the extent to which they were realized.*

Project Adjustments: *Because we live in a dynamic world, we cannot always foresee challenges and opportunities that may arise during a grant period. As a result, you may have to make adjustments to the original plans in order to achieve what you have set out to accomplish. For any new or adjusted steps in the table above, please describe why the adjustment was made, including why this helped you achieve your original goal.*

Project Evaluation: *Using the original indicators of success identified in your grant proposal, indicate the baseline data for each, the target you proposed in the grant request and your results.*

Program Continuation: *Please describe your plans for continuing the project or why the project will not continue after this grant.*

Budget Report: *Using the original budget line items included in your grant proposal, provide detailed expenditures for the project for this period (estimated budget vs. actual).*

Tell us a story! Please take a moment and share a story about how our funding had an impact on your organization or project. Please send photos electronically, if possible.

Is there anything else that you would like to share with us? (This question is optional.)
