WHERE YOUR DONATIONS GO

SFPE is a volunteer organization with no staff and minimal overhead. Every dollar given goes to the benefit of Spearfish schools. SFPE commits to the long term success of Spearfish schools. The foundation invests a small part of every gift in their endowment. This will serve as a source of income for their mission long into the future.

ABOUT US

SFPE unites the community and schools through financial investment. Every year, SFPE invests tens of thousands of dollars in educational programs that make Spearfish schools exceptional. Seeing the effects of large budget cuts in the school, concerned community members created SFPE to be a financial partnership between the private sector and schools. The foundation is governed by a board of directors made up of committed volunteers.
